**Spring Air Show**  
*Remembering the Mighty Eighth*  
Sunday 26 May

Starting the air show season in spectacular style, the Spring Air Show brings together contemporary and historic aircraft for a fabulous day of flying.

This year, the Spring Air Show commemorates the 70<sup>th</sup> anniversary of the United States Army Air Force arriving at RAF Duxford in April 1943. We'll look at the impact of the American Forces on the course of the Second World War in Europe and their cultural influence on the East Anglian community.

Historic US warbirds will take to the skies as we remember the time when the stars and stripes flew at RAF Duxford.

**Flying Legends Air Show**  
Saturday 13 and Sunday 14 July

A worldwide following has ensured that the Flying Legends Air Show is *the* heritage air show event in the aviation calendar. Each of the historic aircraft on display at the Flying Legends Air Show is a living tribute to the outstanding skills of the people who built, maintained and flew them and to the dedication of those who have brought these stunning aircraft back to life.

The Flying Legends Air Show presents these iconic aircraft in a spectacular display that honours their history and aerial achievements. The flying display promises an unmissable fusion of power, sound, excitement and nostalgia as a series of rare and unique piston-engined aircraft perform their breathtaking flights over the historic airfield at IWM Duxford.

The Early Bird offer does not apply to the Flying Legends Air Show.

**The Duxford Air Show**  
**Saturday 7 and Sunday 8 September**

The Duxford Air Show is the highlight of our programme of flying events, featuring an amazing array of aerial displays. We showcase contemporary jet aircraft, historic warbirds, aerobatics and much more! With rare combinations of aircraft and show-stopping performances, The Duxford Air Show is a truly entertaining aerial spectacle.

**Autumn Air Show**  
**Sunday 13 October**

The Autumn Air Show closes the flying season in relaxed and informal style.

We'll be throwing the spotlight on the historic aeroplanes that are operated by flying partners based at the museum, with displays by some of the iconic aircraft that call IWM Duxford home.

Join us for a celebration of IWM Duxford's flying heritage, which continues to thrive today.
